NOTE: If your qualifying event allows you to change your Option (LivingWell CDHP, LivingWell PPO, Standard PPO, or Standard CDHP), and you desire to do so, you must download and complete an ***application*** instead of an Add Form.

NOTES:

- Military Insurance Coverage is considered "Another Employer Plan," however, Veteran's Administration (VA) benefits are **NOT** considered "Another Employer Plan."
- E-mails, online print-outs, or hand-written letters/forms will not be accepted as Qualifying Event documentation
- All Qualifying Event Forms should be signed within 35 days of the Qualifying Event (unless otherwise stated on the QE chart)
- If coverage terminates mid-month, you cannot sign the Enrollment or Add/Drop Form to begin before the termination (unless otherwise stated on the QE chart)
- The final regulation preamble indicates that dependents who can be added are those who were directly affected by the status change event plus other dependents (the so-called "tag-along" rule). However, the examples in the regulation only explicitly deal with situations where an employee elects family coverage and adds family members at no additional cost. It is not clear, but IRS staff members have informally stated that the "tag-along" rule applies even if the employee must increase an election to add additional dependents. Also, the preamble and examples in the regulation indicate that the "tag-along" rule applies to HIPAA events and situations where a spouse terminates employment; it is not clear what other events might be covered by the "tag-along" rule.

TOBACCO USE DECLARATION

The Commonwealth of Kentucky is committed to fostering and promoting wellness and health in the workforce. As a part of the KEHP wellness program, KEHP provides a monthly discount in premium contribution rates for non-tobacco users. You are eligible for the non-tobacco user premium contribution rates provided you certify that you or any other person to be covered under your plan has not regularly used tobacco within the past six months.

TOBACCO USE INFORMATION
Check the applicable box below: Within the past six months, have you, or a spouse or dependent to be covered under your insurance plan, used tobacco regularly?   **Yes ❑ No ❑**
NOTE: Regularly means tobacco has been used four or more times per week on average excluding religious or ceremonial uses.
NOTE: "Tobacco" means all tobacco products including, but not limited to, cigarettes, pipes, chewing tobacco, snuff, dip, and any other tobacco products regardless of the frequency or method of use.
NOTE: "Dependent" means, for the purpose of the Tobacco Use Declaration, only those dependents who are 18 years of age or older.

By submitting this form, I certify the following:

I have truthfully checked the Yes or No box above that accurately reflects the use of tobacco products in the past six months regarding myself and persons to be covered as a spouse or dependent under my insurance plan.

I understand that the tobacco-user premium contribution rates will apply beginning January 1, 2014 if I answered "Yes" to the question above.

I understand that it is my responsibility to notify KEHP of any changes in my tobacco-use or that of my spouse or a dependent covered under my insurance plan, including notification to KEHP if all tobacco users become ineligible for coverage or are otherwise terminated during the plan year. Notification shall be made by completing a Tobacco Use Change Form.

I understand that if I or a spouse or dependent to be covered under my insurance plan currently use tobacco products and stop using tobacco products during the plan year, I will be eligible for the discount non-tobacco premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form certifying that neither I nor my spouse/dependent(s) regularly used tobacco products during the six months prior to completion of the Tobacco Use Change Form.

I understand that if I answered "No" to the question above and either I or a spouse or dependent covered under my insurance plan become a regular tobacco user at any time, I must notify KEHP and my contribution rates will be adjusted to the tobacco user premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form.

I understand that this Tobacco Use Declaration is a part of my KEHP application for health insurance coverage. Any person who knowingly, and with the intent to defraud, files an application for insurance containing any materially false information, or who conceals, for the purpose of misleading, information concerning any fact material to the application, commits a fraudulent insurance act which is a crime.

I understand that if I fail to complete this Declaration truthfully, KEHP may adjust my contribution rates retroactively to apply the applicable higher tobacco-user premium contribution rates. Upon written notification, I will pay to KEHP the difference between the tobacco-user and the non-tobacco user premium contribution rates for the period for which I falsely certified eligibility for the non-tobacco user premium contribution rates.

The KEHP offers monthly discounted premium contribution rates to non-tobacco users as a part of its wellness program. Each KEHP member has at least one opportunity per plan year to qualify for the discount. KEHP is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Department of Employee Insurance at (888) 581-8834 or (502) 564-6534 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

Review the Authorization and Certification information below.

Authorization and Certification for elections made by the planholder for health insurance coverage through the Kentucky Employees' Health Plan (KEHP or Plan), administered by the Department of Employee Insurance (DEI).

My signature on this form creates a legal and binding contract. By affixing my signature, I understand that:

- If I am electing a KEHP plan option during open enrollment, the plan will be effective the first day of the following plan year. If I am a new employee electing a KEHP plan option outside of open enrollment, the plan will be effective in accordance with my employer's new hire waiting period rules (generally the first day of the second month after a new employee is eligible to enroll in the health plan).
- I have read and understand the 2014 KEHP Benefits Selection Guide (BSG). Plan rules and limitations are contained in the KEHP Summary Plan Descriptions (SPD) and the Summary of Benefits and Coverage (SBC).
- KEHP uses third parties, including Humana and Express Scripts, to provide certain administrative functions. KEHP may communicate with me directly or through these third parties about my coverage, my benefits, or health-related products or services provided by, or included in KEHP's plan of benefits.
- If my spouse and I elect the cross-reference payment option, we are planholders with family coverage, and upon a loss of eligibility by either spouse, the remaining planholder will default to a parent plus coverage level. The cross-reference payment option ceases upon loss of eligibility or employment by either spouse/planholder.
- I certify that each enrolled dependent meets KEHP eligibility requirements of a dependent as set forth in the SPD and in the BSG. DEI may require supporting documentation to verify the eligibility of any dependent enrolled or requesting to be enrolled in the Plan.
- All KEHP benefits for my eligible dependents and me will be provided in accordance with the limitations in the SPDs, BSG, and SBCs. I will abide by all terms and conditions governing membership and receipt of services from the Plan in which I have enrolled and as set forth in the SPD. In the event of a conflict between the terms of coverage stated in the SPDs, the BSG, and the SBCs, the terms of coverage stated in the SPDs will govern.
- The elections indicated by this form may not be changed or cancelled during the plan year without a permitted Qualifying Event.
- I authorize my employer to deduct from my earnings the amount required to cover my employee share of the premium contribution for the plan(s) I have selected, including any arrears I may owe. I authorize payment of my employee premium contributions to be made on a pre-tax basis unless I sign a Post-Tax Request Form.
- Any premium payment submitted to KEHP that I intend to be used to pay for my health insurance premium contributions will first be used to pay other priority debts that may be due and owing such as taxes and child support.
- If I elect to waive KEHP health insurance coverage, with or without a stand-alone Waiver Health Reimbursement Account (HRA), I am doing so voluntarily. There are two options under the HRA: Waiver HRA and the Waiver Dental/Vision ONLY HRA.
- KEHP provides plan options that, under the Affordable Care Act, constitute minimum essential coverage that is affordable and provides a minimum value. As such, by receiving an offer of coverage through my employer, I am not eligible for a health insurance premium tax credit if purchasing insurance through the health insurance exchange.
- The four KEHP plan options and the Waiver HRA must pay primary to Medicare, and the Waiver Dental/Vision ONLY HRA will be secondary to Medicare.
- A KEHP HRA may only reimburse me for medical expenses, as authorized by 26 U.S.C. Sections 105(b) and 213(d), that are incurred during the applicable coverage period. Pursuant to federal law, the cost of over-the-counter medicines (other than insulin and those prescribed by a doctor) may not be reimbursed through my HRA. I have a 90-day run-out period (until March 31) for reimbursement of eligible HRA expenses incurred during my period of coverage.
- Any unused amount remaining in my HRA at the end of the plan year may be carried forward to the next plan year.
- My Humana*Access*SM Visa® Card will be suspended if the required HRA claim verification is not sent to Humana within sixty (60) days after the card swipe. I agree to follow all rules and guidelines established by the Plan concerning the Humana*Access*SM Visa® Card. The Plan reserves the right to deny access to the card, require repayment, deduct/withhold from my paycheck, and offset my HRA if I fail to properly substantiate a claim.
